ARTICLE 1 - Recognition - Parties to M.O.U.

1.A Introduction

The representative of the Board of Port Commissioners (hereinafter referred to as "the Port") and of Service Employees International Union ("SEIU") Local 1021, AFL-CIO, as successor to Local 790, Service Employees International Union, AFL-CIO (hereinafter referred to as "the Union"), have met and conferred and have reached an understanding on the following matters, which they jointly have recommended to the Board of Port commissioners and to Local 1021 membership for ratification.

It is understood the provisions herein set forth supersede previous Memoranda of Understanding between the Port and the Union and incorporate previously implemented items in such previous Memoranda to the extent still applicable.

The Port agrees to a single MOU for the Maintenance-Operations Unit and the Clerical-Administrative Unit, provided such differences which may have historically been developed shall not be changed without mutual agreement.

1.B Recognition

The Port recognizes the Union as the exclusive bargaining representative, within the scope of representation as described in the Meyers-Milias-Brown Act, as amended, for such employees in the Maintenance-Operations Unit and the Clerical Administrative Unit, as described in Exhibit C, Salary Table. Hereinafter, the Maintenance-Operations Unit and the Clerical-Administrative Unit will be referred to as the M-O-C-A Unit, except as otherwise referenced.

1.C Notification of New Classifications

1.C.1 New Classifications. The Union will be provided with copies of all new or revised class specifications for all classifications at the Port at least thirty (30) days prior to the establishment of such new or revised classifications. Such notification shall include the proposed classification(s), job description, title, and salary schedule, along with the reason(s) for the proposed establishment of such classification(s).

The Union may protest the assignment of such new or revised classification to a unit other than the unit represented by the Union. If such protest is filed, the Port and the Union shall meet to discuss the assignment of the classification to a specific unit.

Within fifteen (15) days of receipt of notification, the Union and the Port shall meet to discuss the assignability of said new classification(s) to the units.

If agreement is not reached by the parties during the fifteen (15) day period for discussion, the parties agree that the California State Mediation and Conciliation Service shall be brought in to resolve the dispute.

The Board of Port Commissioners shall not approve any new classifications in the units represented by Local 1021 until the Union has had the opportunity to discuss the proposed new classifications with Port management and has met and conferred on issues pertaining to wages, hours and working conditions of the new classification. This meet and confer obligation shall not include the content of the job specification.

1.C.2 Disputes over Assignments. Should there be a dispute over the proper assignment of such new classification(s), the State Conciliation Service shall be requested to resolve the dispute.

ARTICLE 2 - MANAGEMENT AND UNION RIGHTS

2.A Stewards

2.A.1 Number of Stewards. The Union may select a reasonable number of Stewards, with such number subject to the approval of the Port, from within the represented Unit in each geographic work location. The Union shall provide the Port with a current list of Stewards and Officers. Said list shall contain the employees' names, work locations, addresses and classifications. The Port shall provide the Union with a current listing of stewards recognized by the Port, with a copy to Port supervisors.

In keeping with Section 5.B.1, the expressed intent of the parties shall be that grievances shall be resolved at the lowest possible administrative level. When stewards are notified by a member that a problem or potential grievance is in the making, the steward shall request time off without loss of pay to investigate the potential grievance. Stewards shall request this time off as much in advance as possible, preferably twenty-four (24) hours in advance, and shall include the location, area of activity, the approximate time needed and the general nature of

Union business involved. Management shall grant the steward a reasonable amount of time off with pay to investigate the potential grievance.

2.A.4 Release Time. Effective July 1, 2015, the Port agrees to a pilot program for the term of this MOU, to allow the Chapter President to elect to use up to four hours of paid release time each week for union business. This pilot program shall be reviewed by the Union and the Port in June of each year, and only if both parties agree in writing to extend the program for another 12 months, shall it be extended for the next year.

The Port agrees to reasonably schedule badge renewal appointments during an employee's regularly scheduled hours. If an appointment cannot reasonably be scheduled during an employee's regularly scheduled hours, all employees shall be paid for time spent for the badge renewal appointment process. In the event that the Port unduly delays the

badge renewal appointment process, the employee will be made whole for any lost regular hours.

2.D Use of Meeting Space

Upon request, the Port will approve the use of meeting space, if available, for a reasonable number of Union meetings, provided this does not interfere with operations or training, and provided meetings do not take place during the working hours of attendees.

If such consequences result from the use of Port facilities, the Union agrees to pay for any reasonable additional cost of security, damage, and cleanup connected with such meetings, and will comply with Port regulations for the assignment and use of facilities.

Within ninety (90) days after the execution of this settlement agreement, the parties agree to select and convene a committee (composed of four representatives, one Union spokesperson and three employees designated by Local 1021 and four management representatives designated by the Port). On a quarterly basis, the parties agree to meet to go over the last quarter's contractor request list, including any capital improvement projects that were awarded in the quarter, and discuss issues of contracting that the Union is concerned with and seek a mutually agreeable solution to them. However, this provision does not preclude the Union from filing a grievance at the time of a contracting out instance that allegedly violates this agreement. Parties may mutually agree to hire an outside facilitator (e.g. SMCS, FMCS, etc.) to facilitate discussion on contracting out issues.

The contracting out described above, including subparts 2(a) through 2(e), shall comply with Section 902(e) of the Charter of the City of Oakland.

16.A.5 Port Attendance Program

General Statement

The Port and the Union recognize the need to establish an Attendance Program to increase the understanding between employees and supervisors regarding attendance expectations. The following sets forth the attendance standards that will be used in the Port's Attendance Program:

A. Attendance Standards

1. Absence is any time an employee is scheduled to **work** but does not report or leaves work after reporting for reasons not associated with department operations. This excludes unauthorized leave when an employee is not scheduled to work.
2. Sick leave must be for valid reasons such as: illness or disability of employee or immediate family, medical appointments for employee or immediate family and personal leave as outlined in ~~Section 16.B~~ of this Memorandum of Understanding. However, the Port does not allow a certain number of sick days each year to be used however the employee wishes.
3. Other absences include those which are beyond the employee's immediate control (usually of emergency nature) and make coming to work impossible (not just inconvenient or difficult).
4. An employee's record ~~may will~~ be reviewed by the supervisor and the **employee** when **the employee has been** absent ~~hours equal~~ forty (40) **or more** hours and three (3) or more occurrences of absence charged to sick leave in the past twelve (12) month period. The purpose of this review is to determine whether an attendance problem may be present and if so, the appropriate steps, ~~including a conference with the employee,~~ **are** needed to correct **it**. It is understood that exceeding forty (40) hours per year is not in itself a problem, but merely a tool to review the reason for absences.
5. Judgment must be applied to the individual case. There is no set number of absent days that automatically makes an employee's attendance record a good record or a bad record. Each case must receive individual analysis and consultation. Supervisors must do their utmost to apply good managerial skills in determining good, satisfactory and unsatisfactory attendance. Good performance on the job **may become** ~~becomes~~ unsatisfactory because of frequent absences. Some of the factors which should be considered when evaluating attendance performance are: number of days absent, number of occurrences, reasons for absences **(including medical verification for absences)**, total number of sick leave days accrued as compared with current rate of utilization and absence frequency, and the existence of an absence pattern.
6. **Exclusions: The Port will not rely on any of the following as the basis for placing employees on an Attendance Plan for Improvement:**

- a. Protected leaves (including workers' compensation leave),
- b. Family and Medical Leave Act ("FMLA") leave,
- c. Americans with Disabilities Act ("ADA") leave, and
- d. COVID-19 Supplemental Paid Sick Leave).

B. Attendance Plan for Improvement

If an employee fails to meet the attendance standards ~~after the supervisor's and manager's review~~, the following Attendance Plan for Improvement will be implemented:

- 1. Coaching and Counseling (concurrent with the meeting in Section 16.A(4))
- 2. Medical Verification of Sick Leave Absence and Documentation in Employee's Personnel File
- 3. Suspension for Failure to Provide Medical Verification
- 4. Termination

C. Incentives

- 1. For employees working more than half-time, if you have accumulated at least sixty (60) days of sick leave on July 1st of the fiscal year, you may prior to August 1st of the following fiscal year exercise one of the following options for sick leave earned, but not used during the fiscal year:
 - a) Accumulate sick leave credits to the 150-day maximum
 - b) Convert sick leave earned over the basic requirement of sixty (60) days to vacation days, at the ratio of three (3) sick leave days to one (1) day of vacation, with a maximum of four (4) days vacation from converted sick leave;

<u>Days</u>	<u>Bonus Amount</u>

Appointments taking no more than two (2) hours of work time will be excused with no charge to sick leave. If appointments extend beyond two (2) hours, the entire time off will be charged to sick leave.

Medical and dental appointments may not be combined with other types of leave. Appointments should be scheduled so as to minimize impact on work hours.

An employee who accepts an overtime shift which overlaps a pre-scheduled medical or dental appointment must notify their supervisor about the pre-scheduled appointment at the time the employee accepts the overtime shift. Employees will not receive overtime pay for the scheduled appointment.

Using sick leave for personal business is subject to the approval of the department manager. Urgent personal business is defined as necessary transactions that might affect an employee's economic well-being or personal welfare and which cannot be carried out during off-duty hours. It is the intent of this provision to cover the kind of situation in which someone other than immediate kin has raised the employee, or due to unusual circumstances has a very close relationship with the employee. When such special case consideration is granted, the Union will be notified in writing.

16.G.2 Eligibility Approval. Upon approval of the department head or his/her designated representative, an employee may be granted family death leave with pay not to exceed five (5) working days. In such cases, the employee must receive written approval from his/her department head or the department head's designated representative prior to the employee's departure on such leave.

ARTICLE 18 - RETIREMENT

18.A Employer Contribution

The Port shall contribute, as the employer contribution, on behalf of an employee who is a member of the Public Employees' Retirement System, (P.E.R.S.), the designated percent of the regular salary for retirement purposes of such employee, as determined with applicable State law.

18.B Employee Contributions

18.B.1 Effective the first day of the pay period containing July 1, 2013, employer paid member contributions ("EPMC") shall be terminated, and represented employees who are members of the Public Employees' Retirement System ("PERS") shall contribute 8% of their base salary, as determined in accordance with applicable law, to offset the EPMC.

18.B.2 Effective the first day of the pay period containing July 1, 2013 and in exchange for represented employees paying the employee contribution (formerly paid by the employer and designated as EPMC as specified in 18.B.1), the Port will increase the base salary of represented employees by eight percent (8%). The intent of this provision is to have an equal swap whereby represented employees pay their employee contributions in exchange for an increase in their base salary by an equal amount.

18.C Current P.E.R.S. Benefits

The Port currently provides the following benefits as set forth in the City's agreement with Public Employee's Retirement System:

18.C.1 Military Services Credited as Public Service. Up to four (4) years of military service can be granted for time during which a member served continuously with the active Armed Forces or the Merchant Marine plus a record of rehabilitation, plus six (6) months thereafter. The member is required to contribute employee and employer contributions for any such period of military service, except that service rendered prior to September 1, 1970 may be granted at no cost to the member.

18.C.2 Final Compensation. Final compensation is the average full-time monthly pay rate and special compensation for the last 12 months for employees hired prior to June 9, 2012 or last consecutive 36 months of employment for employees hired on or after June 9, 2012.

18.C.3 Survivor Continuance. Survivor continuance provides the beneficiary a monthly allowance equal to one-half of what the employee's highest "service retirement" allowance would have been had they retired on the date of death. Eligible recipients are the spouse or domestic partner, who have married or registered for at least one year, or if none; children under age 18 who have never been married, or if none; a parent who is at least age 62 and was a dependent of the employee at the time of death.

18.C.4 Benefit Factor. Benefit factor is a percentage of pay to which one is entitled for each year of service. It is determined by one's age at retirement and the retirement formula. The benefit factor increases with each quarter of year of attained age between ages 50 and 55 except for employees subject to PEPRA. The formulas are 2.7% @ age 55 for employees hired prior to June 9, 2012; 2.5% @ age 55

for employees hired on or after June 9, 2012; or 2.0% @ age 62 for new members hired on or after January 1, 2013 subject to PEPRRA.

18.C.5 Not Eligible to Retire at the Time of Death. The beneficiary will receive a refund of the member's contributions plus interest, and up to six (6) months' pay (the sum of one month's salary rate for each year of current service to a maximum of six months).

SIDE LETTER OF AGREEMENT BETWEEN SEIU LOCAL 1021 AND THE PORT OF OAKLAND

REGARDING

Percentage of Employer Contribution for New Retirees and Future Legislation

This letter of understanding reflects an agreement between the Port of Oakland ("Port" or "Employer") and SEIU Local 1021 ("SEIU").

Whereas the Port represented to SEIU during negotiations that PERS does not have an option, or schedule, allowing an employer to make contributions for retiree medical benefits over a 15 year period, but only over a twenty year period, as set forth in Government Code Section 22893 and Article 17.A.2 of this Memorandum of Understanding.
2. SEIU agreed to the Port's proposal concerning retiree benefits for new employees, in Article 17.A.2, under the condition that the parties would jointly use their best efforts to draft and pass legislation to require PERS to establish an optional 15 year schedule for an employer to make contributions toward retiree medical benefits as follows: 50% at 10 years, 60% at 11 years, 70% at 12 years, 80% at 13 years, 90% at 14 years, and 100% at 15 years
3. An Overview

A Supervisor's Practical Guide to
the Family and Medical Leaves at
the Port of Oakland

April 2013

This pamphlet is designed to provide managers and supervisors with practical guidance on issues and procedures pertaining to FMLA/CFRA benefits at the Port of Oakland. The guidance and information provided is not intended to serve as the official Port of Oakland policy. It is intended to assist in the application of FMLA/CFRA leave where appropriate. All applicable laws and policies will apply to matters of FMLA/CFRA administration.

Managers and supervisors are encouraged to contact Human Resources - Payroll & Benefits Unit to ensure a thorough review of any concerns that may arise regarding FMLA/CFRA issues.

The Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA) are benefits that allow qualified employees to take up to 12 weeks of unpaid, job-protected leave during a rolling 12 month period, which is measured backwards from the date an employee uses any leave. FMLA/CFRA also require that employees' group health benefits be maintained during periods of FMLA/CFRA leave. FMLA and CFRA leave run concurrently to the extent permitted by federal and California law, subject to certain exceptions described in this pamphlet.

FMLA/CFRA leave is designed to help employees balance their work and family responsibilities by allowing them to take reasonable unpaid leave for certain family and medical reasons. It also seeks to accommodate the legitimate interests of employers and promote equal employment opportunity.

FMLA/CFRA applies to all public agencies, all public and private elementary and secondary schools, and private-sector companies with 50 or more employees. These covered employers must provide an eligible employee with up to 12 weeks of unpaid leave each year for any of the following reasons:

- Birth and care of the newborn child of an employee;
- Placement with the employee of a child for adoption or foster care;
- Care for an immediate family member (spouse, registered domestic partner, child, or parent) with a serious health condition.

- Medical leave when the employee is unable to work because of their own serious health condition; or
- Qualifying exigencies arising out of the fact that the employee's spouse, son, daughter, or parent is on active duty or call to active duty status as a member of the National Guard or Reserves in support of a contingency operation.

Employees are eligible for FMLA/CFRA leave if they have worked for their employer for at least 12 months, at least 1,250 hours over the past 12 months and at a location where the company employs 50 or more employees within 75 miles. Whether an employee has worked the minimum 1,250 hours of service is determined according to FLSA principles for determining compensable hours of work.

A covered employer also must grant an eligible employee who is a spouse, son, daughter, parent, or next of kin of a current member of the Armed Forces, including a member of the National Guard or Reserves, with a serious injury or illness that was incurred in the line of duty on active duty up to a total of 26 workweeks of unpaid leave during a "single 12-month period" to care for the service member.

The Port also complies with the California Pregnancy Disability Leave Law ("PDL"), which requires it to permit employees to take a reasonable leave of absence of up to four (4) months, as needed, for the period(s) of time the employee is actually disabled by pregnancy, childbirth, or related medical conditions. Time taken for PDL does not count against the 12 weeks of leave available for FMLA/CFRA leave. For more information on PDL, contact HR - Payroll & Benefits.

Summary of Administrative Policy (AP 413)

The Port allows eligible employees to take certain family and medical leaves of absence in accordance with the federal Family and Medical Leave Act and the California Family Rights Act. In certain situations, the federal law may apply where the state law may not, and vice versa. In any case, assuming the requisite conditions are met, employees will be eligible for the most liberal benefit available under either law. Employees are required to use all available accrued leave while on FMLA/CFRA leave. Please visit the Intranet for more information on the Port's policy.

Employee Responsibilities

Employees have responsibilities to fulfill if the leave taken is to be granted or designated as FMLA/CFRA leave. They may not waive their FMLA/CFRA rights.

- In general, employees must:
- Submit leave request 30 days in advance of the need to take FMLA/CFRA leave when foreseeable
 - Obtain certification of a serious health condition and provide such certification to HR - Payroll & Benefits in a timely manner
 - Inform HR - Payroll & Benefits if the requested leave is for a reason for which FMLA/CFRA was previously taken or certified
 - Provide re-certification of a serious health condition upon request from HR - Payroll & Benefits
 - Maintain appropriate contact with HR - Payroll & Benefits regarding return-to-work status
 - Work with HR - Payroll & Benefits to coordinate leave with EDD payments, where applicable

Failure to provide information in a timely manner may result in the delay or denial of FMLA benefits. Noncompliance with policy may result in disciplinary action.

Manager / Supervisor Responsibilities

Managers and supervisors must establish themselves as a first step in the FMLA/CFRA leave process by knowing which types of absences indicate an FMLA/CFRA-related condition, while maintaining confidentiality.

In general, managers and supervisors must:

- Notify HR - Payroll & Benefits when an employee absence of more than three consecutive days of work indicates a potential need for FMLA/CFRA leave
- Retitivate completed FMLA/CFRA paperwork from employee, sign and submit to HR - Payroll & Benefits
- Ensure time for employee's FMLA/CFRA leave is submitted for processing
