EXECUTIVE SUMMARY

Port staff requests that the Board of Port Commissioners ("Board") adopt the resolution necessary to extend the appointment of Katherine Buckley as the Acting Chief Audit Officer through August 31, 2018, or upon appointment of a successor, whichever is earlier, and to approve temporary supplemental compensation of six percent (6%) for Ms. Buckley for serving as the Acting Chief Audit Officer.

BACKGROUND

Article XI, Section 1 of the By-Laws of the Board of Port Commissioners provides that the Board of Port Commissioners is vested with the authority to "appoint the Auditor by resolution." The Chief Audit Officer is a senior management classification charged with directing an independent comprehensive program responsible for performing operational and financial internal auditing within all offices of the Port. The previous incumbent retired on December 31, 2017.

By way of background, in December 2017, the Port initiated the recruitment process to search for the successor Chief Audit Officer, and in the interim, appointed Katherine Buckley as the Acting Chief Audit Officer for the period of January 1, 2018 through June 30, 2018 and provided her with temporary supplemental compensation of six percent (6%). Since the recruitment effort is still on-going, it is necessary to extend the appointment of Ms. Buckley as the Acting Chief Audit Officer through August 31, 2018 or

upon appointment of a successor, whichever is earlier, to ensure continuity of the operation of the Office of the Chief Audit Officer.

ANALYSIS

Ms. Katherine Buckley serves as the Port Audit Manager (“Audit Manager”), and has served in this role since May 2012. In her role as the Audit Manager, Ms. Buckley is responsible for administering programs, project development, project management, preparation of confidential reports for senior management and the Board of Port Commissioners, and supervision of the Audit staff. Prior to being promoted as the Audit Manager, Ms. Buckley also served as a Port Senior Auditor, and she has been employed at the Port since April 2007. Ms. Buckley’s professional experience also includes serving as an Associate Auditor for the City and County of San Francisco, Controller’s Office and Trust Officer for the San Francisco Sheriff’s Department. Ms. Buckley possesses a Bachelor’s Degree in Commerce from the University College Cork in Ireland. Based on the above, Ms. Buckley is fully qualified to serve as the Acting Chief Audit Officer.

As the Acting Chief Audit Officer, Ms. Buckley will be tasked with performing all of the functions of the Chief Audit Officer as described under Article XI of the By-Laws, including, but not limited to: i) reviewing and appraising the effectiveness, adequacy and application of accounting, functional, and operating controls and reliability and timeliness of accounting and other data generated within the Port; ii) evaluating the Port’s internal controls to ensure that the Port’s assets and resources are adequately safeguarded from fraud, waste, and mismanagement; iii) ascertaining compliance with the Board’s resolutions and policies and the Executive Director’s instructions and directives, as well as applicable State and Federal laws and regulations; iv) providing assistance to Port staff to enhance the effectiveness, efficiency and economy of their operations; v) responding to requests for audit and reviews; and vi) reporting to the Board as appropriate or as directed by the Board, as part of a deliberative process, on recommendations for corrective action to adopt new policies.

In recognition of Ms. Buckley’s performance as the Acting Chief Audit Officer, temporary supplemental compensation of six percent (6%) is also recommended for the period of her appointment through August 31, 2018, or upon appointment of a successor, whichever is earlier.

BUDGET & STAFFING

The cost to the Port for two months, including any incremental benefit costs, is approximately \$2,000 offset by the vacancy of the incumbent Chief Audit Officer.
