J.2. Employee Contribution

The Port shall contribute, on behalf of an employee who is a member of PERS, the designated percent of the regular salary for retirement purposes of such employee, as determined in accordance with applicable State law.

The Port will pick up the employee's normal contribution to PERS according to the individual designation of each represented employee.

Each employee is solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of receipt of said pick-up by the Port or any penalty that may be imposed therefore.

An employee may, in anticipation of retirement, opt to apply such pick up of the designated percent to the employee's base salary. Any election to convert the PERS pick up to salary may be made only once and shall be irrevocable once exercised.

Effective the first day of the pay period containing July 1, 2013, employer paid member contributions ("EPMC") shall be terminated, and represented employees who are members of the Public Employees' Retirement System ("PERS") shall contribute 8% of their base salary, as determined in accordance with applicable law, to offset the EPMC.

Effective the first day of the pay period containing July 1, 2013 and in exchange for represented employees paying the employee contribution (formerly paid by the employer and designated as EPMC), the Port will increase the base salary of represented employees by eight percent (8%). The intent of this provision is to have an equal swap whereby represented employees pay their employee contributions in exchange for an increase in their base salary by an equal amount.

Employees hired on or after January 1, 2013, will pay half of the total normal cost in accordance with the Public Employees' Pension Reform Act of 2013.

J.3. Current PERS Benefits

The Port will provide current benefits in accordance with the requirements of PERS.

It is understood that among those subjects covered by OSHA rules and regulations are: a hazard free workplace; safety tools and equipment; protective equipment; removing or guarding hazards; information and notices regarding OSHA; and no discrimination against employees for exercising their lawful rights.

ARTICLE R: DISCIPLINARY ACTIONS

The right to discipline or discharge employees by the Port shall be exercised for good and sufficient cause. The Port shall mail the Union Representative(s) a copy of all “Skelly” notices of intent to discipline given to represented employees as well as all discipline appeal responses. No employee shall be placed in a non-pay status until any and all procedures under applicable law relating to that employee are fulfilled. At present, it is understood that “Skelly” procedures are currently required by applicable law before action can be taken by a public employer in certain specific situations.

Coaching and counseling are encouraged to bring about effective communication prior to any disciplinary steps. Coaching and counseling are verbal communications designed to draw attention to management concerns with the expectation that such communication will be sufficient in and of itself to motivate an employee to change his or her behavior.

R.1. Resignation Inquiry

Upon receipt of an employee's resignation, the Port Human Resources Manager may conduct an inquiry to determine that the resignation was submitted in good faith and free from undue pressure or threat. Said officer shall take into account any information furnished by the Union and/or an employee in a timely fashion in determining the necessity for such an inquiry.

R.2 Written Rebuttals

Employees shall be entitled to append a written rebuttal to any written reprimand or oral reprimand which is reduced to writing and placed in the employee's personnel file. The appended rebuttal shall be included in the employee's official personnel file. Employees are required to submit written rebuttals within thirty (30) calendar days from the date of the reprimand.

ARTICLE S: GRIEVANCE PROCEDURE AND ARBITRATION

S.1. Definition

- (a) A grievance is herein defined as a dispute which involves the interpretation or application of this agreement, the interpretation and application of the applicable Personnel Rules of the City and Port and disciplinary action taken hereunder.
- (b) It is the expressed intent of the parties that grievances be resolved expeditiously at the lowest possible administrative level. Toward that objective, the following steps are provided.

S.2. Procedure

Step 1:

- (a) Informal Discussion - The employee or the Local 21, IFPTE representative may present the grievance orally to the immediate supervisor within seven (7) working days of the occurrence of the dispute or within seven (7) working days from such time as the employee or Local 21, IFPTE should reasonably have been aware of the occurrence.
- (b) Formal Submission - Should the grievance remain unresolved, the employee or Local 21, IFPTE representative may submit the grievance in writing to the immediate supervisor within seven (7) working days from the oral presentation of the grievance to the supervisor. The grievance shall state the specific section of the MOU, or the Personnel Rules alleged to be violated or the disciplinary action taken hereunder, together with a brief statement of the facts in the case and the proposed remedy. The supervisor shall render a decision in writing to the employee and/or Local 21, IFPTE representative within seven (7) working days of the formal submission of the grievance.

Step 2:

Appeal to Department Head - Should the grievance remain unresolved, the employee or Local 21, IFPTE representative may, within seven (7) working days of receipt of the supervisor's decision, submit the grievance in writing to the next higher level of management. The department head or his/her designated representative shall respond to the grievance in writing within seven (7) working days after receipt of the grievance.

Step 3:

Employee Appeals Officer - Local 21, IFPTE staff representative - Should the grievance remain unresolved, the employee or Local 21, IFPTE representative may, within seven (7) working days after receipt of the department head response, submit the grievance in writing to a Port Employee Appeals Officer designated by the Executive Director. The Employee Appeals Officer shall meet with the assigned Local 21, IFPTE representative within seven (7) working days of submission and attempt to resolve the dispute.

Step 4:

Arbitration/Civil Service - Should the grievance remain unresolved, within fourteen (14) calendar days of said meeting the Union may submit such grievance to an impartial arbitrator who shall be selected by mutual agreement or, if such agreement is not reached, by alternately striking names from a list of five (5) arbitrators submitted by the State Mediation and Conciliation Service. Alternatively, in the case of a grievance concerning discharge or disciplinary action against an employee, Local 21, IFPTE or employee may elect to submit such grievance to the Civil Service Board, instead of to an arbitrator. In the event that Local 21, IFPTE or employee elects to submit such grievance to the Civil Service Board, the filing of the written grievance in accordance with the provisions of Step 1(b) above shall satisfy the requirement of the personnel ordinance that the employee give notice of intent to appeal a discharge or disciplinary action.

If arbitration is selected, it is agreed that the decision of the arbitrator shall be final and binding on all parties and the arbitrator's fees and expenses incidental to the decision such as a hearing room and transcript, if required, but excluding the cost of representation and witness fees shall be borne equally by the parties. The arbitrator shall have no power to add to or subtract from the provisions of this agreement or of the personnel rules.

S.3. Time Limits

Time limits prescribed in Section 2 above may be extended by mutual agreement of the parties. Failure by the employee or Local 21, IFPTE to follow the time limits, unless so extended, shall nullify the grievance. Failure by the Port to follow the time limits, unless so extended, shall cause the grievance to move to step 2, step 3, or step 4, whichever is the next level.

By mutual agreement, the parties may waive the time limits specified herein and proceed to immediate arbitration.

S.4. Witnesses

Individuals who may have direct knowledge of circumstances relating to the grievance may appear at the procedure. In the case of an employee appearance, he/she shall not lose any compensation or other benefits for actual time spent in such appearance.

The grievant may be present at any and all proceedings regarding his/her grievance. In the case of multiple grievances, a representative from among the grievants may be present at any and all proceedings regarding the grievance. The option of being present at such meetings shall be that of the employee. S/he shall not lose any compensation or other benefit for time spent for such appearances. By mutual agreement, any of the grievants in a multi-grievant situation may attend any of the grievance proceedings which occur during times they are not scheduled to work.

This section shall not be applicable when mutually agreed by the Port and Union representatives.

S.5. Consolidation

Concurrent grievances alleging violation of the same provision may be consolidated for the purpose of this procedure as a single grievance.

S.6. Award Payment Schedule

The Port shall make payments to the employee(s) for grievance resolutions or arbitration awards within thirty (30) calendar days of the date that the Port and the Union agree to the grievance resolution. However, in cases for which the arbitrator specifies the compensation award, the Port shall make the payment to the employee(s) within thirty (30) calendar days of receipt of this ruling. The Port will make every effort to make payment before the thirty (30) calendar days, when possible.

ARTICLE T: LABOR/MANAGEMENT RELATIONS COMMITTEE

The Port and the Union agree to establish a Labor/Management Relations Committee for the purpose of exploring ways to improve the level of mutual respect between the parties and to establish methods for problem-solving of workplace issues. This committee will be formed no later than ninety (90) days after execution of MOU and will consist of three members of Local 21, IFPTE and three members chosen by the Port.

ARTICLE U: SEVERABILITY AND REVISION OF SEVERED PORTIONS

In the event any portion of this Memorandum is declared null and void by superseding federal or state law, the balance of the Memorandum shall continue in full force and effect, and the parties shall immediately commence negotiations to ensure that the superseded portion(s) shall be rewritten to conform as nearly as possible to the original intent.

ARTICLE V: MEMORANDUM IS ENTIRE AGREEMENT

It is understood and agreed that this Memorandum constitutes the entire agreement between the parties. Any change in wages, hours or terms and conditions of employment beyond those set forth herein are subject to the requirements of meeting and conferring in good faith in accordance with the Meyers-Milias-Brown Act as amended.

ARTICLE W: TERM

ARTICLE X: PARKING AT 530 WATER STREET

APPENDIX AB (LETTER OF UNDERSTANDING)

(SEE ATTACHED)

**LETTER OF UNDERSTANDING
BETWEEN
INTERNATIONAL FEDERATION OF
PROFESSIONAL AND TECHNICAL ENGINEERS
AND
THE PORT OF OAKLAND**

ORIGINAL

LETTER OF UNDERSTANDING

BETWEEN

INTERNATIONAL FEDERATION OF PROFESSIONAL AND TECHNICAL ENGINEERS (IFPTE)
LOCAL 21 UNITS I, J, K AND L

AND

THE PORT OF OAKLAND

1. All Port employees represented by Local 21 of the IFPTE (Units I, J, K, and L) will forego all cost of living increases and any other salary increases scheduled in Fiscal Year 2009-2010 (beginning July 1, 2009).¹
2. All Port employees represented by Local 21 of the IFPTE (Units I, J, K and L) will forego any and all merit pay premiums payable in Fiscal Year 2009-2010, with no further payments after December 31, 2009. In implementing this paragraph, merit pay received by employees in the December evaluation cycle was discontinued as of August 7, 2009. Upon further review, we feel that the more equitable method of implementing this provision would be to complete the payment of the merit premium pay to those employees through December 2009.
3. All Port employees represented by Local 21 of the IFPTE (Units I, J, K and L) will take a total of eleven (11) mandatory days off without pay ("Mandatory Day Off") during Fiscal Year 2009-2010. The protocols for the Mandatory Days Off are as follows:
 - (a) Eleven (11) Mandatory Days Off total during the Fiscal Year 2009-2010, commencing July 1, 2009. A day off is 7.5, 8, or 8.5 hours depending on the employee's regular work schedule.
 - (b) Commencing September 1, 2009, an employee must take a minimum of one (1) Mandatory Day Off per month in full day increments. The employee's supervisor will monitor and may mandate that the employee take at least one Mandatory Day Off per month. If an employee fails to schedule a Mandatory Day Off during a given month, management shall schedule a Mandatory Day Off for the employee in consideration of business needs to insure that all eleven (11) Mandatory Days Off are taken by the end of fiscal year 09/10.
 - (c) Mandatory Days Off taken before or after a holiday will not disqualify the employee for holiday pay.

¹ [Local 21 of the IFPTE (Units I, J, K and L) recognizes it does not have representational rights over Senior Management (Unit H), Attorneys (Unit J) and other unrepresented employees (Unit M). However, the Port acknowledges and agrees that the same terms and conditions of this Letter of Understanding will be applied as concerns Units H, J & M.]

(d) Mandatory Days Off are to be scheduled in the same manner as vacation is scheduled and employees must receive prior supervisory approval before taking a Mandatory Day Off.

4. CalPERS Retirement Incentive Program – The Port has submitted to the City all necessary documentation and requests for the City to approve the purchase of two (2) additional years of service credit for employees retiring during a specified time period (October 21, 2009 to January 22, 2010), pursuant to the rules and regulations of CalPERS.
5. All employees represented by Local 21 of the IFPTE (Units I, J, K and L) hired on or after October 1, 2009 will be covered by the benefit structure set forth below. Notwithstanding the foregoing, the provisions of this paragraph 5 shall not apply to (1) any former Port employee on a reinstatement list as of October 1, 2009 pursuant to Section 9.01 of the Personnel Rules and Procedures of the Port, who is hired prior to October 1, 2009 and is reinstated to employment with the Port three (3) years from the date of layoff; or (2) an employee who was employed by the Port before October 1, 2009 and who is reemployed by the Port prior to the second anniversary of his or her separation from employment with the Port in accordance with Section 5.10 of the Personnel Rules and Procedures of the Port.
 - a. The employee shall pay the full member contribution to CalPERS (currently equal to eight percent (8%) of the employee's compensation (but as may be changed from time to time), with state and federal income tax on the employee's contribution deferred to the extent permitted by Internal Revenue Code Section 414(h)(2). Such member contribution shall be deducted from the employee's compensation and shall be paid to CalPERS by the Port.
 - b. The Port shall offer to the employee dental, vision and Employee Assistance Program (EAP) coverage for the employee and his or her eligible dependents at no cost to the employee.
 - c. With respect to medical coverage, the Port shall pay to PERS an amount equal to the California Kaiser premium for the employee's coverage option (e.g. single, two-party or family coverage). The employee shall pay the cost of coverage over such amount. For example, if an employee elects family coverage under a PERS Public Employees' Medical and Hospital Care Act (PEMHCA) plan, the Port shall pay to PERS an amount equal to the premium for family coverage under the California Kaiser plan and the employee shall pay the remainder.
6. With respect to employees first hired by the Port on or after **the effective date of the resolution** (herein referred to as the "Retirees"), the Port shall pay a percentage of employer contributions for retiree medical coverage for a Retiree and his or her eligible dependents based on the provisions of Section 22893 of the California Government Code. Under these rules, a Retiree must have at least 10 years of credited service with a CalPERS agency, at least five of which are with the Port. Except as otherwise required by Section 22893(b) of the California Government Code (providing for 100% of employer contributions for a Retiree who retired for disability or retired for service with 20 or more years of service credit), if the Retiree meets such requirements, the Port will pay a percentage of employer contributions for the Retiree based on the following:

Years of Credited Service
(at least 5 of which are with the Port)

Percentage of Employer Contributions

10	50%
11	55%
12	60%
13	65%
14	70%
15	75%
16	80%
17	85%
18	90%
19	95%
20	100%

The employer contribution will be adjusted by the Port each year but will not be less than the amount required by California Government Code Section 22892(b) plus Administrative fees and Contingency Reserve Fund assessments.

Each person receiving this retiree medical benefit must notify the Port within thirty (30) days of the retiree and/or an eligible dependent becoming eligible for Medicare. Additionally, any such retiree and/or eligible dependent who becomes eligible for Medicare must enroll in Medicare as required by CalPERS.

With respect to employees who were hired by the Port on or after October 1, 2009 (other than (1) any former Port employee on a reinstatement list as of October 1, 2009 pursuant to Section 9.01 of the Personnel Rules and Procedures of the Port who is hired prior to October 1, 2009 and is reinstated to employment with the Port three (3) years from the date of layoff or (2) an employee who was employed by the Port before October 1, 2009 and who is reemployed by the Port prior to the second anniversary of his or her separation from employment with the Port, in accordance with Section 5.10 of the Personnel Rules and Procedures of the Port), upon the employee's retirement or other separation from service, such retired or terminated employee shall not be entitled to dental, vision or employee assistance program benefits upon ceasing to be an eligible employee of the Port except to the extent required under the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

7. The Port agrees that there will be no layoffs of members of Port employees represented by Local 21 of the IFPTE (Units I, J, K and L) during the Fiscal Year 2009-2010, provided that either (a) the Intermediate Lien debt service coverage ratio does not go below the projected Intermediate Lien debt service coverage ratio in the approved Operating Budget for Fiscal Year 2009-2010, (which has been set at 1.26) for two (2) consecutive months, calculated as of the end of each month; or (b) no event outside the control of the Port occurs that is projected to lower the Intermediate Lien debt service coverage ratio below that projected in the approved Operating Budget for Fiscal Year 2009-2010. The Corporate Administrative Services Division will communicate to the Local 21 of the IFPTE (Units I, J, K and L) the Intermediate Lien debt service coverage ratio monthly as it becomes available.
