NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

SECTION 1. In reliance upon the representations and certifications set forth upon and submitted with an application by the Applicant (defined below) for a building permit to perform certain work at the Premises (defined below), and provided that the Applicant complies with all of the terms and conditions set forth in Applicant's agreement(s) with the Port and all other documents regulating use of the Premises, the Board hereby approves the building permit for the following work:

- A. Applicant: New Cingular Wireless PCS, LLC (dba AT&T Mobility).

- C. Estimated Cost: \$80,000.00.
- D. Work: Installation of two new antennas at Applicant's existing rooftop site, replacement of six existing antennas, and upgrades to support equipment on the roof and in the ground shelter.

The Board hereby finds and determines that the work to be performed under this building permit is categorically exempt from the requirements of the California Environmental Quality Act ("CEQA") and the Port CEQA Guidelines under Section 15301, Class 1(a), which exempts projects involving alterations to existing facilities involving negligible or no expansion of an existing use.

SECTION 3. (a) Neither this resolution nor the Board's approval of said work (i) is a waiver by the Board of any Port right or remedy with respect to Applicant under any agreement between the Port and the Applicant or with respect to any obligation of Applicant, or (ii) releases Applicant from any obligation with respect to said work or with respect to any agreement between the Port and Applicant; and (b) this resolution is not evidence of and does not create or constitute (i) a contract, or the grant of any right (other than to perform the work subject to the provisions of this resolution), entitlement or property interest, or (ii) any obligation or liability on the part of the Board or any officer or employee of the Port.

SECTION 4. This resolution shall be effective immediately upon adoption by the Board.
