

## BOARD OF PORT COMMISSIONERS CITY OF OAKLAND

### RESOLUTION APPROVING BUILDING PERMIT REQUESTED BY SSA TERMINALS (OAKLAND), LLC.

**WHEREAS**, the Board of Port Commissioners ("Board") has reviewed and evaluated Item No. 2.2 - the Summary Sheet for Permit Application (Port Permit No. 5220) dated March 11, 2019 - and related agenda materials ("Agenda Sheet"), has received the expert testimony of Port of Oakland ("Port") staff, and has provided opportunities for and taken public comment; and

**WHEREAS**, that in acting upon this matter, the Board has exercised its independent judgment based on substantial evidence in the record and adopts and relies upon the facts, data, analysis, and findings set forth in the Agenda Sheet and in related agenda materials and in testimony received;

#### **NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:**

**SECTION 1.** In reliance upon the representations and certifications set forth upon and submitted with an application by the Applicant (defined below) for a building permit to perform certain work at the Premises (defined below), and provided that the Applicant complies with all of the terms and conditions set forth in Applicant's agreement(s) with the Port and all other documents regulating use of the Premises, the Board hereby approves the building permit for the following work:

- A. Applicant: **SSA Terminals (Oakland), LLC.**
- B. Premises: 1717 Middle Harbor Road, Oakland, California.
- C. Estimated Cost: \$75,000.00.
- D. Work: Installation of a new guard booth (approximately 8'x18') to replace the existing booth at the east entrance to the terminal. Work includes new foundation and K-rail for the new booth, utility connections, and removal of the old booth and foundation.

E. Sustainability: This project will install pre-constructed booths with some site preparation. The work will meet the California Green Building Code and Debris Recycling requirements as applicable. No other sustainability measures are being considered for this project.

**SECTION 2.** The Board hereby finds and determines that the work to be performed under this building permit is categorically exempt from the requirements of the California Environmental Quality Act ("CEQA") and the Port CEQA Guidelines under Section 15301, Class 1(e), which exempts additions to existing structures provided that the addition will not result in an increase of more than 50% of the floor area of the structures before the addition or 2,500 square feet, whichever is less.

**SECTION 3.** (a) Neither this resolution nor the Board's approval of said work (i) is a waiver by the Board of any Port right or remedy with respect to Applicant under any agreement between the Port and the Applicant or with respect to any obligation of Applicant, or (ii) releases Applicant from any obligation with respect to said work or with respect to any agreement between the Port and Applicant; and (b) this resolution is not evidence of and does not create or constitute (i) a contract, or the grant of any right (other than to perform the work subject to the provisions of this resolution), entitlement or property interest, or (ii) any obligation or liability on the part of the Board or any officer or employee of the Port.

**SECTION 4.** This resolution shall be effective immediately upon adoption by the Board.
