SUMMARY SHEET for PERMIT APPLICATION

(This Summary Agenda Sheet to be used for ALL permits in this category for which Board approval is recommended.)

DATE:			
BUILDING PERMIT APPLICATION:	New Construction Demolition	Addition Repair	_X_Alteration Other, Tank
PORT TENANT:	CONCEPT:		
High Flying Foods	Oaklandish		
LOCATION OF PROPOSED WORK: 1 Airport Drive, T1-FB-G4			
BRIEF DESCRIPTION OF PROPOSED WORK: Tenant improvements to the leased space in Terminal 1 at the top of the main ramp from the security checkpoint, including the "parklet" space part way up the ramp. Work will include new partition walls, finishes and utilities. This project has been determined to be exempt from the requirements of the California Environmental Quality Act pursuant to Section 15301(a), remodel of existing interior space.			
SUSTAINABILITY: Airport Food and Beverage Concession projects will follow current Green Building and Energy Codes as enforced by the City of Oakland, as well as the construction debris recycling requirements. All materials removed from the site will be reused or recycled to the extent feasible. They are also required to meet the contract standards for using reusable utensils and to compost food scraps, and will use local and sustainable food sources when possible. A Sustainable Opportunities Assessment form is on file for this project.
